

DEFINITELY DOMINGUITA

SKINNY ON THE SERIES - Humorous program on how writing a series (books which have siblings) is different from writing an "only" book. (Grades 1+) (45 min inc. Questions)

TRY IT YOU'LL LIKE IT – A presentation which is perfect for Hispanic Heritage month, and for making any day a Hispanic Heritage day. Using humor, the program talks about how any one person is no different from another, because of where they come from. They may be better at this or at that, like making pizza or hitting home runs, but they are not better human beings. Try it you'll like it, uses the analogy of food, to drive the point that if young readers try being friends with someone from another country, they may find they like that person, much like, if they try a new food which looks different from food you've had before, they may like it. (Grades 1+) (45 min inc. questions)

THE WRITING OF THE SERIES. (Grades 2+) (45 min inc questions.)

FAMILY LITERACY NIGHT - Will work with your school to structure a presentation for parents and children.
